

Who We Are

Building on over 35 years of innovation, Texas Digital (TD) is proud to be a leading provider of integrated communication solutions that deliver exceptional value for the following markets: call center and help desks, financial institutions, cinemas, theme parks, athletic venues and assembly halls, healthcare and hospitals, education and universities, restaurants and hospitality and several others.

We are the leading supplier of order confirmation displays for the quick-serve restaurant industry, a leader in digital signage solutions across all the markets we target, and a pioneer in the use of visual communication solutions for the help desk, call center, and command centers.

Around the world, our products are installed in more than 22,000 locations in 40 countries. In the United States alone, our customers include 12 of the top 20 Fortune 100 largest companies as well as several of the largest educational institutions and government agencies.

What We Do

As our clients' trusted business partner, TD solutions leverage our digital delivery expertise and data aggregation capabilities. TD's offerings allow our clients to communicate visually with their customers and employees, increasing productivity and transforming their business operations into profit centers. Our vast industry knowledge enables us to provide clients with innovative ideas that help them improve operations and their customer experience. We deliver on our commitments so clients can build strong relationships with their customers, achieve profitable growth and win in the marketplace.

How We Do It

TD is uniquely positioned to be responsive to the needs of our customers. With in-house resources ranging from engineering and product development to help desk and installation services, TD brings together the necessary resources to take concepts from ideation to full, turnkey production solutions. We listen to our customers' changing needs and continually enhance our solutions to offer unparalleled value.

Our Vision

Texas Digital's vision is to be the world's leading innovator of integrated communication solutions that deliver exceptional value, executed by enthusiastic, knowledgeable employees in a rewarding, high-growth environment. This vision inspires the way we serve our customers, who rely on Texas Digital's professionals as a true consultative partner in their business success. We not only provide them with the absolute best products, technology and service, but we listen to them, respond quickly to their current needs, anticipate future needs, and earn their business every day.

Our Promise

Texas Digital's commitment to our customers is to deliver superior products, lasting value-added business relationships, ongoing product development, and world-class service and support.
